LES CHRONIQUES DE FRANCE, 3 tom. 1476

The 3d Volume of this very antient and curious Set of Books concludes with the following Paragraph:

*Cy finist le tiers volume des croniques de frace cotenant charles v. vi. vii. bn ordonne par tables et par chappitres Et pareille-
ment les deux volumes poedens fait a paris en l'offel de pas-
quier bon home lug des quatre principaulx libraires de l'uni-
versite de paris ou pend pour enseigne limage saint xpoile le
xvi. iour de ianvier lan de grace mil. CCC. lxxvi.*

It is presumed this is one of the earliest Pieces of Typography executed in Paris, it being finished four Years sooner than the Introduction of that Art into London, and not two Years later than Caxton's Game of the Chess, printed at Westminster, (which is allowed to be the first Specimen of that Art in England) and although the First Edition of that Book bears an earlier Date by near 22 Months than this Chronicle of France, yet the latter must have been begun to be printed long before the former, as *that* is only a thin Folio, containing but a few leaves, whereas *this* consists of three large Folio Volumes, comprizing upwards of 940 Leaves, which must have cost the Printer some Years Labour.

These Volumes are beautifully printed, the Type resembling antient Writing, on a curious Paper nearly equal to Vellum, the Leaves are without Running-Title, Direction-Word, or Number of Pages, the Capital Letters are coloured in Red and Blue, they have very large Margins; are bound in Red Morocco, and in amazingly fine Preservation.

M A R E D A N T's D R O P S.

FROM the many extraordinary well-authenticated Cures already published, and the daily Proofs Mr. NORTON has of the Efficacy of his DROPS, (called MAREDANT's) he can justly recommend them as effectual in entirely eradicating the following Disorders, which he is convinced, from Experience, arise from the same Cause, viz. the Leprosy, Scurvy, Old Sores or Ulcers, the Evil, Fistulas, Piles, Pimpled Faces, long continued Inflammation of the Eyes, Bilious Cholic, St. Anthony's Fire, Scorbutic Gout and Rheumatism, and every other Disorder arising from a Foulness of Blood. They also perfect Digestion, and amazingly create an Appetite by strengthening the Stomach, and will act as a Restorative to the most reduced Constitution. Their singular Efficacy in removing the Maladies too frequently the Consequence of Inoculation, however skilfully practised, induces him earnestly to recommend them, assured of their happy Effects in Cases, even when, from a long Continuance of sharp corroding Ulcers, the Bones have been ultimately affected, and the Limbs endangered. The Safety with which they may be administered to Children and Infants, is an additional Encouragement to the timely Use of them.

These DROPS, by the Appointment of Mr. NORTON, are sold in York, only by Mess. WILSON and SON, Bookellers in High-Overgate, in Bottles at Six Shillings each.
